On the other hand, shopping (too much) could also make you go broke especially when you are shopping online. Luckily, there are several ways to be wise shoppers. The first one is to plan all your

Slangs like gonna & ads

can be fatal to your mark!

okay maybe not fatal

but detrimental enough!

so avoid using them in exam!

And be more mindful/aware of what you've written down earlier so that you won't repeat the same thing over again eg. "is because", "too much", etc.

You've got broad vocabulary and good control of grammar usage but try not to make it sound so casual especially w/ essays and extended writing.
